

April 4, 2025

NOTICE OF ROADWORK ACTIVITIES

Please be advised that Ridgewood Water (RW) has contracted with Conquest Construction Inc. to install a raw water main along Pinewood Dr, Monroe Ave, and Van Houten Ave. Road closures will be required due to construction activities; however, immediate local traffic will be provided with access. Unrestricted access will be reopened at the end of each work day. Police will be onsite to provide traffic control.

The new raw water main will be placed in the road within the Right-of-Way (ROW). Conquest will be responsible for restoring any pavement, driveways, sidewalk, lawn areas, and other features impacted during construction. Roads will be temporarily paved until final paving is completed, which will occur either in the Fall of 2025 or Spring 2026. The water main installation work will connect wells to the Ames PFAS Treatment Facility. A map of the work area has been included.

Construction activities are scheduled to begin on or about April 7, 2025 and will continue for approximately three weeks.

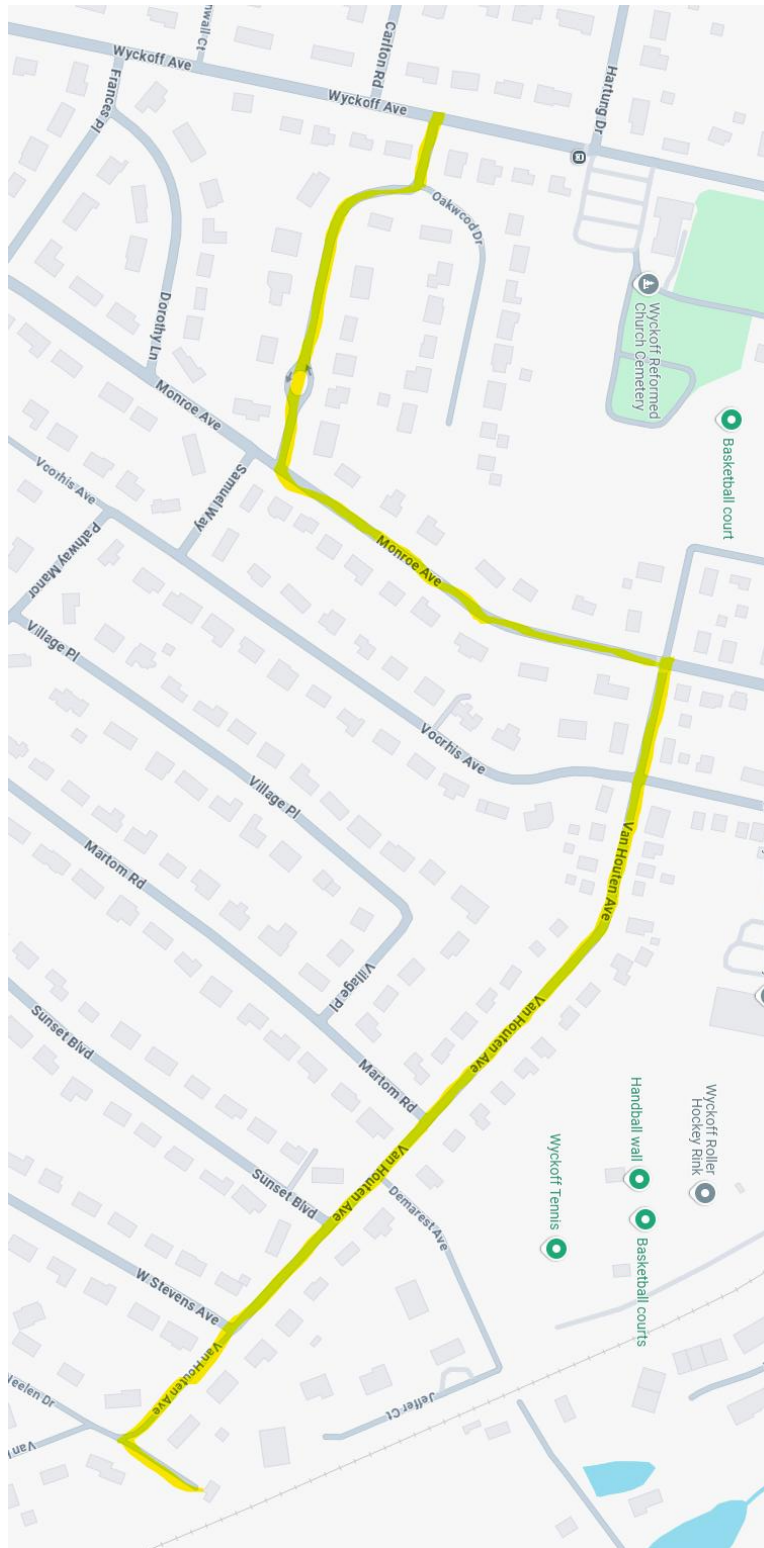

Please feel free to contact me if you have any emergencies or questions or concerns. I can be reached at 267-632-7465. Additionally, you may also contact Ridgewood Water. Ridgewood Water Customer Service can be reached at 201-670-5520, or by email at cswater@ridgewoodnj.net.

Your patience and understanding during this process is greatly appreciated and we apologize for any inconvenience this may cause.

Sincerely,

Chris Kraft
