NOTICE OF ROADWORK ACTIVITIES

7:00 am to 4:00 PM

Dear Wyckoff Residents:

Ridgewood Water has contracted with MSP Construction for installation of raw water mains to connect wells to the Cedar Hill PFAS Treatment Facility. MSP Construction will be working on the street where your property is located, as indicated below. For the full scope of the project please refer to Ridgewood Water's website (under 'Service Events & Tools'). Roads will be temporarily paved until final paving is completed, which will occur in 2026.

STREET: Caldwell Drive.

Approximate START DATE: On or about Wednesday January 7, 2026

Expected DURATION: ONE (1) Week

Please DO NOT park on the street during the construction

We will be coordinating road work activities with the Township of Wyckoff Police Department. Road closures and detours will be required so please expect traffic delays. Immediate local traffic will be provided access to closed roads. Unrestricted access will be provided at the end of each work day. We will proceed past your home as quickly as possible and do all that we can to minimize inconveniences. Police will also be onsite to provide traffic control. Please obey all posted traffic signs and plan accordingly for delays.

ANY EMERGENCIES, QUESTIONS OR CONCERNS CAN BE DIRECTED M.S.P. CONSTRUCTION CORPORATION (973) 465-9222. Additionally, you may also contact Ridgewood Water customer service at 201-670-5520 or by email at cswater@ridgewoodnj.net.

Your patience and understanding during the construction is greatly appreciated and we apologize for any inconvenience this may cause.

Very Truly Yours,
M.S.P. Construction, Corporation
